

## International scientific committee

<b>Prof. Erik Meers</b> (Poster Award Committee member)	Laboratory of analytical chemistry and applied ecochemistry (Ecochem)	Ghent University
<b>Prof. Jeroen Buysse</b>	Department of agricultural economics	Ghent University
<b>Em. Prof. Willy Verstraete</b>	Center for microbial ecology and technology	Ghent University
<b>Prof. Lise Appels</b> (Poster Award Jury member)	Department of chemical engineering, process and environmental technology lab	KU Leuven
<b>Bart Vandecasteele</b>	Crop husbandry and environment	Institute for Agricultural and Fisheries Research
<b>Em. Prof. Georges Hofman</b> (Poster Award Committee President)	Chairman Flemish Research Centre Sustainable Fertilisation	Ghent University
<b>Gerard Velthof</b>	Department of sustainable soil management	Wageningen University & Research
<b>José Martinez</b>	Deputy director international affairs	IRSTEA
<b>August Bonmati-Blasi</b>	GIRO joint research Unit IRTA-UPC	IRTA
<b>Sergio Piccinini</b>	Environment department	CRPA - Research Centre for Animal Production
<b>Jennifer Bilbao</b>	Department of physical process technology, Nutrient management group	Fraunhofer Institute for Interfacial Engineering and Biotechnology IGB
<b>Oscar Schoumans</b>	Department of sustainable soil management	Wageningen University & Research
<b>Prof. Oene Oenema</b>	Department of sustainable soil management	Wageningen University & Research
<b>Prof. Fabrizio Adani</b>	Gruppo Ricicla	University of Milan
<b>Prof. Lars Stoumann Jensen</b> (Poster Award Committee member)	Soil fertility group, Plant and soil science section	University of Copenhagen
<b>Franz Kirchmeyr</b>	Vice President	European Biogas Association
<b>Filip Raymaekers</b>	Manager	Profex, BE
<b>Bart Ryckaert</b>	Energy and biomass	Inagro
<b>Prof. Shane Ward</b>	Biosystems engineering	National University of Ireland
<b>Prof. Céline Vaneckhaute</b>	Department of chemical engineering, research team on green process engineering and biorefineries	Université Laval
<b>Romke Postma</b>	Senior projectmanager	Nutriënten Management Instituut BV, NL
<b>Ludwig Hermann</b>	Minerals, Energy and Water	Outotec, Espoo
<b>Marissa De Boer</b>	Project manager SusPhos	Amsterdam University
